Civil Action No.

**STIPULATION FOR ORDER GRANTING EXTENSION OF TIME TO RESPOND TO
MOTION FOR SHOW CAUSE HEARING AND REQUEST FOR EXPEDITED
HEARING**

This Stipulation is entered into by and between MICHAEL J. QUILLING, Receiver of ABC Viaticals, Inc., Movant for a Show Cause Hearing, and Donald S. Kaplan, Respondent thereto, to extend the time in which Donald S. Kaplan may respond to the Receiver's Motion for Show Cause Hearing and for other relief. In support of the

Stipulation, the parties state as follows:

1. On November 17, 2006, the Securities and Exchange Commission filed this instant action, and sought the appointment of a receiver for the assets of ABC Viaticals, Inc. The Court granted the motion of the Securities and Exchange Commission, and appointed Michael Quilling as receiver.

2. On April 5, 2007, Quilling, as receiver, filed a motion with the court for a Show Cause Hearing so as to command Kaplan to return transfers which the receiver alleges are fraudulent transfers under the Uniform Fraudulent Transfer Act as enacted in the various states. The motion was served by mail upon Kaplan.

3. Kaplan's Los Angeles-based attorney, Richard Baum, made contact with the Receiver and initiated discussions regarding the motion. Meantime, Kaplan has sought to locate counsel in the Dallas area who was willing to act as local counsel in the admission of Baum as a member of the Bar of this District Court *pro haec vice*. Once that counsel is located and retained, an application for admission will be prepared and submitted to the court. Thereafter, Kaplan shall thereupon mount his defense to the Motion.

4. Nothing contained in this Stipulation is intended to be, nor should be construed as, the submission by Kaplan to the personal jurisdiction of this court over him.

NOW, THEREFORE, IT IS HEREBY STIPULATED by and between MICHAEL J.

QUILLING, Receiver of ABC Viaticals, Inc., and Donald Kaplan that the time for Kaplan to respond to the Motion for Show Cause Hearing shall be extended for a period of twenty one (21) days, until June 1, 2007.
