CIVIL ACTION NO.
3-06-CV-2136-P

**RECEIVER'S UNOPPOSED MOTION TO INCREASE BANK FINANCING
FACILITY AND REQUEST FOR EXPEDITED CONSIDERATION**

TO THE HONORABLE JORGE A. SOLIS, UNITED STATES DISTRICT COURT JUDGE:

COMES NOW Michael J. Quilling, the Receiver appointed in these proceedings (“Receiver”), and respectfully submits this his Unopposed Motion to Increase Bank Financing Facility and Request for Expedited Consideration and respectfully states:

1. This case involves, *inter alia*, approximately 51 life insurance policies with a face value of death benefits over \$200,000,000.00 affecting approximately 4,000 investors worldwide. ABC Viaticals, Inc. (“ABC Viaticals”) was placed into Receivership by virtue of this Court’s order on November 17, 2006. At that time, Michael J. Quilling was appointed Receiver (“Receiver”) and authorized to take possession of the Receivership Assets. The

Receiver has been acting and fulfilling his duties as Receiver since his appointment and has conducted a preliminary investigation to get a general accounting of ABC Viaticals and its related entities.

2. The primary asset of ABC Viaticals is the life insurance policy portfolio it owns. There are 51 known policies with premium obligations of approximately \$7,300,000.00 per year. Without the payment of premiums, the policies in the portfolio will lapse. The Receiver has ceased the operations of ABC Viaticals and will not collect any more funds from investors.

3. On December 1, 2006, the Receiver filed a Motion for Authority to Enter into an Agreement for Bank Financing [Dkt. No. 16]. On March 8, 2007, the Receiver filed a Motion to Approve Bank Financing [Dkt. No. 31], which the Court approved by Order dated March 15, 2007 [Dkt. No. 32]. The bank financing facility approved by the Court was for \$5,000,000.00 with interest paid quarterly. Since then the Receiver has borrowed \$2,000,000.00 and will need to borrow another \$600,000.00 - \$700,000.00 at the end of the month and for each month the rest of the year.

4. So as to have ample room to continue borrowing, and as a precautionary measure, the Receiver has negotiated an increase in the facility to a total of \$9,000,000.00, conditioned on payment of interest on a monthly basis.

5. It is in the best interest of the receivership estate and the investors to preserve the life insurance policies. An increase in the bank financing facilities will ensure that enough funds are available to meet the premium obligations until a more studied approach can be completed.

WHEREFORE, PREMISES CONSIDERED, the Receiver respectfully requests that the Court enter an order authorizing him to increase the bank financing facility consistent with the

foregoing to provide funding for premium obligations and for such other relief, general or special, at law or in equity, to which the Receiver may show himself justly entitled.

Respectfully submitted,
