<sup>1</sup> The court previously authorized the Receiver to "pay up to 90% of the professional fees and 100% of the expenses on a monthly basis, provided statements are made on a monthly basis to the [SEC], no objections thereto have been presented and [fee] applications have been made as required." No amounts have been paid for January and March 2006.

If any party desires a hearing, a written request for hearing must accompany the objections. Unless a hearing is requested, the court intends to rule on the fee application based on the written submissions of the parties after the expiration of the deadline for filing objections.
