Amended and Updated Commercial Affidavit of Facts

Introductory Certification

I, Gary Lynn McDuff (hereinafter; "I/me/my/mine, etc."), and I, Shannon M. McDuff (so named),
the Undersigned [hereinafter Affiants as "we/our, etc."] do hereby declare and state the following:

1. Affiants are sui juris and competent to state the matters set forth herewith.
2. Affiants have personal knowledge of the facts stated herein.
3. All the facts stated herein are true, correct, and complete in accordance with Affiants' best firsthand knowledge and understanding, and if called upon to testify as a witness Affiants shall so state.

Plain Statement of Facts

4. That this case was initiated by the SEC and Merchants-Michael J. Quilling, Brent J. Rodine and Quilling Sealander Cummiskey & Lownds, P.C. are acting as officers and/or agents of the SEC and, apparently appointed by the SEC and officers of the "court" as receiver for Megafund Corporation and Lancorp Financial Group, LLC.
5. That at no time was either of us served with any proper documentation in an attempt to resolve this action prior to the service by the SEC of a Subpoena, which Subpoena had no valid OMB-number, and, therefore, is not an official document of the government.
6. That there is no O.M.B.-Number on any of the documents sent by the SEC and that according to **"TITLE 44--PUBLIC PRINTING AND DOCUMENTS, CHAPTER 35--COORDINATION OF FEDERAL INFORMATION POLICY, SUBCHAPTER I--FEDERAL INFORMATION POLICY, Sec. 3502. Definitions, (5) the term "independent regulatory agency" means the Board of Governors of the Federal Reserve System, the Commodity Futures Trading Commission, the Consumer Product Safety Commission, the Federal Communications Commission, the Federal Deposit Insurance Corporation, the Federal Energy Regulatory Commission, the Federal Housing Finance Board, the Federal Maritime Commission, the Federal Trade Commission, the Interstate Commerce Commission, the Mine Enforcement Safety and Health Review Commission, the National Labor Relations Board, the Nuclear Regulatory Commission, the Occupational Safety and Health Review Commission, the Postal Rate Commission, the Securities and Exchange Commission, and any other similar agency designated by statute as a Federal independent regulatory agency or commission; (10) the term "person" means an individual, partnership, association, corporation, business trust, or legal representative, an organized group of individuals, a State, territorial, tribal, or local government or branch thereof, or a political subdivision of a State, territory, tribal, or local government or a branch of a political subdivision; (14) the term "penalty" includes the imposition by an agency or court of a fine or other punishment; a judgment for monetary damages or equitable relief; or the revocation, suspension, reduction, or denial of a license, privilege, right, grant, or benefit."** And further, **"Sec. 3512. Public protection, (a) Notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information that is subject to this subchapter if--(1) the collection of information does not display a valid control number assigned by the Director in accordance with this subchapter; or (2) the agency fails to inform the person who is to respond to the collection of information that such person is not required to respond to the collection of information unless it displays a valid control number. (b) The protection provided by this section may be raised in the form of a complete defense, bar, or otherwise at any time during the agency administrative process or judicial action applicable thereto. (Added Pub. L. 104-13, Sec. 2, May 22, 1995, 109 Stat. 181; amended Pub. L. 106-398, Sec. 1 [[div. A], title X, Sec. 1064(b)], Oct. 30, 2000, 114 Stat. 1654, 1654A-275.)"** [Emphasis added by this author.]
7. That the Accused have placed on their "COMPLAINT" the language "(JURY TRIAL DEMANDED)" knowing full well that the word-jury is an adjective meaning "Makeshift." This is a charge of Treason and conspiracy to commit Treason previously filed and acquiesced to by the Accused. Hence, the intent of the Accused is to place us in a "makeshift trial" in order to conspiratorially deny us due process of law and obstruct right-ruling.

8. That the Accused did willfully and knowing circumvent the Administrative process entirely in order to deny us any semblance of due process of law even under the anti-law known as statutes.
9. That on or about January 23, 2006, C.E. threatening documents were sent to me consisting of a letter, and an alleged Subpoena posing as a "Subpoena" and a "Subpoena duces tecum" entitled "In the Matter of Megafund Corp. [FW-02975]", having no valid OMB-number, and, therefore, not an official document of the government
10. That the "Subpoena" did not have the language "Subpoena duces tecum" but the Accused purports to order me to produce listed documentation under threat.
11. That in the invalid "Subpoena" I was noticed to appear before merchant-Julia Watson Huseman at "801 Cherry Street, Suite 1900, Fort Worth, Texas 76102, on Thursday, February 2, 2006 at 5:00 p.m." to produce everything commanded by the alleged Subpoena and on "Thursday, February 9, 2006 at 10:00 a.m." to appear to give testimony, all under penalties of perjury.
12. That no "Order of a Court" of competent jurisdiction accompanied the documents.
13. That no "search-warrant" accompanied the documents.
14. That neither the type of jurisdiction nor the type of law was/is specified on the documents allowing me the opportunity to review the alleged authority to determine if the Accused has sufficient authority to demand me to do anything.
15. That the letter-document informs me on page three that "This investigation is a non-public, fact-finding inquiry." My being a reasonable natural person I would conclude that from this language that the Accused has willfully and knowingly committed crimes against me and the actual parties named in this case without having sufficient facts to support their position. In other words, destroy first and go to any extreme to support their position afterwards.
16. That on "March 10, 2006" merchant-Karen Mitchell or her deputy filed several documents for the Accused "SEC, Et al." who was attempting to solicit a criminal conspiracy with both the merchant-clerk and merchant-judge.
17. That merchant-Huseman filed with the clerk a document entitled "DECLARATION OF JULIA W. HUSEMAN IN SUPPORT OF APPLICATION OF THE SECURITIES AND EXCHANGE COMMISSION FOR AN ORDER TO SHOW CAUSE AND FOR AN ORDER REQUIRING OBEDIENCE TO SUBPOENA" (hereinafter Declaration).
18. That merchant-Steve Korotash (hereinafter Korotash) filed with the clerk a document entitled "APPLICATION FOR ORDER TO SHOW CAUSE AND ORDER REQUIRING OBEDIENCE TO SUBPOENA" (hereinafter Application) and a document entitled "MEMORANDUM OF THE SECURITIES AND EXCHANGE COMMISSION IN

SUPPORT OF ITS APPLICATION FOR AN ORDER TO SHOW CAUSE AND FOR AN ORDER REQUIRING OBEDIENCE TO SUBPOENAS” (hereinafter Memorandum).

19. That merchants-Huseman and Korotash know full well that they have perjury-immunity, see Briscoe Et al. v. LaHue Et al., 460 U.S. 325 (1983), and merchant-Huseman was served with a document entitled “Waiver of Perjury-Immunity” to be autographed, notarized and returned to me before she is permitted to give testimony.
20. That both Huseman and Korotash have refused to autograph, notarize and return the “Waiver of Perjury-Immunity,” therefore; they are soliciting a criminal conspiracy by jury-tampering.
21. That merchants-Huseman and Korotash have falsified information in their respective documentation and under lawful circumstances are both guilty of perjury.
22. That in the Accused preliminary documentation they have declared that I am a “resident of Deer Park, Texas” yet no evidence has been filed supporting their claim. Not once have I declared myself a “resident” of any place including but not limited to Texas, whatever Texas is. By making this false statement and declaration the Accused have undertaken to make me a denizen or fiction and not an American Citizen of the Republic of the several States residing in Texas-State, Harris-County, Deer Park-Texas. The Accused, therefore, are witnesses in this case and can be deposed.
23. That merchant-Korotash in his-Application on Page 3 ¶ 8 states, “However, on February 1, 2006, McDuff delivered an envelope to the staff which contained five nonsensical documents purporting to be some sort of court filings.”
24. That merchant-Korotash falsified information stating that my-documentation is purported to be anything but precisely what it is.
25. That the documents, now fully acquiesced to, are written in the English-language using English-grammar. By declaring that the documents are “nonsensical” merchant-Korotash is declaring him-self to be intellectually challenged, or unfamiliar with the proper use of English-grammar. The Counterclaim quotes Scriptural Law, the Constitution for the United States of America, the Uniform Commercial Code, American Jurisprudence, statutes of Texas, Case-Law, Common Law, “United States Code,” English-grammar, the facts of the case, Public Law, “Executive Orders,” facts acquiesced to by the President of the United States of America, the Chief Justice of the United States Supreme Tribunal, the Governor and Chief Justice of Texas, “Black’s Law Dictionary, Fifth Edition,” and the “Oxford English Dictionary,” yet the Accused declares that the language is nonsensical. The Accused did not specify precisely what language in the documentation is allegedly “nonsensical.” Since I, called a lay-person by the judicial arena, can understand the document it would appear that the Accused is either afraid to respond to the documentation, is feigning stupidity, or is intellectually challenged. Moreover, since the facts are based upon the acquiesced to Affidavit, it would appear that the Accused is soliciting a criminal conspiracy with the merchant-judge and the merchant-clerk of the tribunal.

26. That merchants-Huseman and Korotash filed-documentation that is replete with gibberish, that being false conveyance of language, wherein nouns, verbal-nouns and gerunds are converted to adjectives by being placed directly in front of other nouns with no hyphenation between the nouns wherein these modified nouns have no meaning as adjectives.
27. That merchant-Huseman states in her "Declaration" that "By the Formal Order, the Commission directed that a private investigation be conducted to determine, among other things, whether any persons have engaged, are engaging, or are about to engage in violations of Sections 5(a), 5(c), and 17(a) of the Securities Act Securities Act (ibid.), 15 U.S.C. §§ 77e(a), 77e(c), and 77q(a), and Sections 10(b), and 15(a) of the Exchange Act, 15 U.S.C. §§ 78j(b) and 78o(a) and Rule 10b-5, 17 C.F.R. § 240.10b-5 thereunder."
28. That merchant-Korotash in his-Application and Memorandum supports the alleged facts enumerated in merchant-Huseman's-Declaration.
29. That merchants-Huseman and Korotash's-own-statements support that there is no evidence, to support their harassment, making this a witch-hunt.
30. That though merchant-Huseman offers no evidence to support her claim, she declares that "Gary Lynn McDuff is a resident of Deer Park, Texas, and has been involved in the operation of a multi-million dollar ponzi scheme through at least three entities ..." "**Pon-zi scheme** Function: *noun* Etymology: Charles A. *Ponzi* died 1949 American (Italian-born) swindler: an investment swindle in which some early investors are paid off with money put up by later ones in order to encourage more and bigger risks" Merriam-Webster's-Online. Merchant-Huseman neglected to identify precisely what evidence she or the other Accused are using to determine that a swindle was going on and that I was involved, but have charged me with a crime. This is slander.
31. That merchant-Huseman in the same document charges me with criminal activity by stating about me "Gary Lynn McDuff ... **has been involved in the operation of a multi-million dollar ponzi scheme**" (Page 1 ¶ 3 Declaration) while declaring at the same time that "...**the Commission directed that a private investigation be conducted to determine, among other things, whether any persons have engaged, are engaging, or are about to engage in violations of ...**" (see ¶ 24 supra) thereby admitting that this entire action against me is speculative, in hopes that the end will justify the means. (Emphasis added).
32. That merchant-Korotash supports merchant-Huseman's-claim yet offers no evidence to support these statements.
33. That though the Declaration of Huseman states that the investigation is private, she and the other Accused have publicized this information in its interim on their web-site giving the appearance of definitive wrong-doing by me.
34. That merchants-Huseman and Korotash both declare that I served them and the Commissioners with documents entitled: "Commercial Affidavit of Facts," "Notice of Surety-Act and Bond," "Notice and Demand for Oath of Offices and Bond-Information," "Waiver of Perjury-

Immunity,” and “Civil Complaint for Damages; Formal and Constructive Notice; Criminal Complaint with Bill of Particulars, and an ‘Information’ in a Criminal Case; and, A Bill for the Debt, Payment Due Upon Receipt against the Accused herein listed. I hereby charge and support the crimes by the Accused of: Treason times thirty-one (31) counts, Conspiracy to commit treason times thirty-one (31) counts, Conspiracy against my rights; Willfully and knowingly making false statements and misrepresentations, “Statements or entries generally” Title 18, U.S.C.A. § 1001; Conspiracy to commit fraud; Criminal Fraud; Bill of Pains and Penalties Racketeering through false conveyance of language; Falsification of documents and Fraud by deception” [hereinafter Criminal Complaint].

35. That in the Criminal Complaint I charged the Accused with thirty-one counts of Treason and thirty-one counts of conspiracy to commit Treason they voluntarily acquiesced to, to wit:

Counts I through LXII.

Treason -Counts I, III, V, VII, IX, XI, XIII, XV, XVII, XIX, XXI, XXIII, XXV, XXVII, XXIX, XXXI, XXXIII, XXXV, XXXVII, XXXIX, XLI, XLIII, XLV, XLVII, XLIX, LI, LIII, LV, LVII, LIX and LXI. Conspiracy to commit Treason - Counts II, IV, VI, VIII, X, XII, XIV, XVI, XVIII, XX, XXII, XXIV, XXVI, XXVIII, XXX, XXXII, XXXIV, XXXVI, XXXVIII, XL, XLII, XLIV, XLVI, XLVIII, L, LII, LIV, LVI, LVIII, LX and LXII.

I and II - As written in my filed documents to the corporate chief officers, the tribunals display the Federal military flag as its jurisdiction. It has been declared in “Title 4 U.S.C.S. Lawyers Edition, § 1 INTERPRETIVE NOTES AND DECISIONS “Placing of fringe on national flag...within discretion of President as Commander-In-Chief of Army and Navy. (1925) 34 Op Atty Gen 483.” In addition, “Pursuant to U.S.C. Chapter 1, 2, and 3; Executive Order No. 10834, August 21, 1959, 24 F.R. 6865, a military flag is a flag that resembles the regular flag of the United States, except that it has a Yellow Fringe, bordered on three sides. The President of the United states designates this deviation from the regular flag, by executive order, and in his capacity as COMMANDER-IN-CHIEF of the Armed forces.” Moreover, the Congress willfully and knowingly overstepped its power, to wit: in 1845 Congress passed an act saying Admiralty-law could come on land. The bill may be traced in Cong. Globe, 28th Cong., 2d. Sess. 43, 320, 328, 337, 345(1844-45), no opposition to the Act is reported. Congress held a committee on this subject in 1850 and they said: “The committee also alluded to ‘the great force’ of ‘the great constitutional question as to the power of Congress to extend maritime jurisdiction beyond the ground occupied by it at the adoption of the Constitution....’” - H.R. Rep. No. 72 31st Cong., 1st Sess. 2 (1850).” Thus, all tribunals in this country are Administrative court-martials and the BAR-Association-Attorneys have overthrown the American people and the American form of government by extirpating the civil authority and removing the Judiciary in favor of their military quasi-judiciary [Something that appears to be a proper judiciary but is not.].

III and IV - The judges are members and swear allegiance to a private corporation known as the British Accredited Registry Association, a/k/a; the BAR-Association. The BAR-Association is owned by the Templar BAR, which Templar BAR is located and owned by “The Crown” a/k/a “The City” in London, England. “The Crown” a/k/a “The

City” is owned by the Rothschild-Bank-Cartel and the Rothschild-family. Further, the Rothschild’s are known to have the position of “Guardian of the Vatican’s-Treasury,” thus, the Rothschild-family represents the interests of the Vatican. Hence, the judge is a foreign agent conspiring with other merchant-Attorney-judges commandeering the judiciary of the United States of America and the Texas-State to overthrow the American people and the American form of government.

Furthermore, the word-Attorney is taken from the words:

Attorn / v. Me. [Origin French. atornier, aturner assign, appoint, f. a-tornier turn v.]
 1. v.t. Turn; change, transform; deck out. 2. v.t. Turn over (goods, service, allegiance, etc.) to another; transfer, assign. 3. v.i. Transfer one’s tenancy, or (arch.) homage or allegiance, to another; formally acknowledge such transfer. Attorn tenant (to) Law formally transfer one’s tenancy (to), make legal acknowledgment of tenancy (to a new landlord). – Oxford English Dictionary 1999.

Attorn, v.i. [Latin ad and torno.] In the feudal law, to turn, or transfer homage and service from one lord to another. This is the act of feudatories, vassals or tenants, upon the alienation or the estate. – Webster’s 1828 Dictionary.

Attornment, n. The act of a feudatory vassal or tenant, by which he consents, upon the alienation of an estate, to receive a new lord or superior, and transfers to him his homage and service. – Webster’s 1828 Dictionary.

Attornment n. the transference of bailor status, tenancy, or (arch.) allegiance, service, etc., to another; formal acknowledgment of such transfer: lme. – Oxford English Dictionary 1999.

Thus, it is clear that an Attorney is one who **transfers or assigns, within the BAR, another’s rights and property, acting on behalf of the ruling crown (“The Crown” a/k/a “The City” in London, England; in other words this country’s de facto government)**. In other words, when Attorneys call themselves officers of the court, they are correct in that they are all government agents; however, they serve a foreign government. The American people are deceived into believing that they [the BAR] are neutral and working on behalf of justice, not serving their BAR-Association.

V and VI – The federal and State-tribunals use felony false conveyances of language as its vehicles of jurisdiction over the American People. The BAR-Association-Attorneys has dubbed this tribunal the “United States District Court.” The phrase-“United States” is a noun-phrase that has been converted into an adjective modifying the noun-District; the word-District is a noun that has been converted into an adjective modifying the noun-Court, there is no such place; therefore, this is a false conveyance of language and a felony. Properly read according to English-grammar, this language would be, “United Court.” Hence, in order to perform their dastardly deeds, the BAR-Association has created one-world-order-Tribunals they advertise as Courts in order to pillage and plunder the wealth and rights of the American people and to overthrow the American form of government.

In addition, the statutes are written in false conveyances of language in order to usurp jurisdiction over the American People and trap the American People under a language that does not exist. This falsification of language opens a Pandora’s-Box against the American People with the BAR-Association and its principal, the Vatican and Rothschild-Bank-Cartel, as a totalitarian government, rather like a sophisticated and contemporary Spanish-Inquisition. A false language has been created by the BAR where justice has no stronghold, where charges have no meaning according to the language;

thus, the corporate government assumes the authority to plunder and pillage the American People. Through corruption and false language “We the People” are charged with the anti-law called statutes and commanded to answer to the charges; however, it is difficult to answer when one does not understand the question. Hence, the BAR-Association, through its opinions, have exercised the methodology of control, wherein they have ruled the people under the now quasi-judiciary with the dictates that “everything means exactly and precisely what I [the BAR-Attorneys] say it means at the time.”

VII and VIII - The judge has everyone “rise” when proceeding to his/her throne. History recognizes that the judge would carry in the Bible with him and that the people would rise up in reverence to the word of the Heavenly Father-Yahuah, not the judge. Further, the Bible would render the hearing one under the common law, said Bible containing the Law burned into stone by the Heavenly Father, wherein the unalienable rights of the accused would naturally be protected. When the judge stopped carrying in the Bible the hearing became a “Royal court” inasmuch as the people are now compelled to rise for the judge as opposed to the word of the Heavenly Father. Further, the judge is dubbed “Esquire,” an English title just under nobility meaning “shield-bearer.” Now, the “common law”-Court of Law has been overthrown in favor of the BAR-Association’s-sovereignty known as “The Crown” a/k/a “The City” in London, England and proceeding under the “Royal court” of “The Crown.” Thus, through this treason and conspiracy to commit treason the American people have become subjects in their own country and their own land.

IX and X - The Attorneys of the BAR-Association have willfully, knowingly, and are continuous in their betrayal of their country and their countrymen to serve “The Crown” a/k/a “The City” in London, England. Then, they have, with treason in mind and deed, removed the Flag of the Republic in favor of their Admiralty-flag to remove the “Courts of Law” and replace them with “Military tribunals” under an Admiralty-flag and a foreign government. The corporate government through the BAR-Association then created a sub-status citizenship found in the questionably ratified Fourteenth Amendment to the Constitution for the United States of America and written as “citizen of the United States.” Further, they then quote cases stating their jurisdiction is based on the American People being “United States citizens.” The phrase “United States” is a noun-phrase that has been converted into an adjective modifying the noun-citizen, there is no such creature; therefore this is a false conveyance of language and a felony. When properly read, this phrase would be “non-existent citizen.” Through this sub-status and/or non-existent citizenship the “BAR” and its corporate government made the American Citizens property of the corporate state and assumed a dictatorial position over the people and the American form of government.

XI and XII - Under their feudal-system, the BAR-Association has annexed the property and natural persons of the American People through the reprehensible language known as “eminent domain.” **The Accused have assumed under eminent domain that they have control of my earnings to do with them what they want.** In addition, the following treasonous statement by the Senate, written in 1933 witnesses the coup against the American form of government and the American People, to wit: “The ultimate ownership of all property is in the state; individual so-called ‘ownership’ is only by virtue of government, i.e., law, amounting to a mere user; and use must be in accordance with law and subordinate to the necessities of the State.” - Senate Document No. 43, “Contracts payable in Gold.” With this principal of feudal, Nazi, fascist, communist,

dictatorship, totalitarian and other such governments the ruling elite control the people through the threat that the corporate government can, and often times do, take the properties of the People if they question or resist the tyranny. Thus, through this concept the Accused can maintain control over any who would speak out against their tyranny.

XIII and XIV - With this principal of "eminent domain" well established in systems of government known as feudal, Nazi, fascist, communist, dictatorship, totalitarian and other such governments the ruling elite control the people through the concept that if the people own nothing they have nothing to bargain with and, therefore, have no legitimate position of voting-rights to elect a proper lawful government. Thus, the alleged right to vote becomes a privilege requiring an act of registration. Hence, the people are no more than subjects presenting their wishes and granting the existing de facto government permission by accepting and performing according to the privileges they, the American people, have been granted by the now de facto government. Further, when the corporate government grants someone the privilege to vote by exercising a control of registration, the corporate government becomes the parent-corporation, which means that the human-person seeking permission becomes the child and through an unbeknownst "tacit agreement" loses his/her rights and then agrees through implied-contract to be bound by the corporation and/or foreign government, not by law. In addition, if one attempts to counter the tyranny of the now de facto government he/she would be threatened with the loss of his/her property, or the corporate government would simply take the humans property in order to frighten others into submission for fear of losing their properties. Thus, the Accused through the BAR-Association has perpetrated treason and conspired to commit treason through their deliberate actions aforementioned.

XV and XVI - The Seventh-Amendment to the Constitution for the United States of America states, "In Suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by jury, shall be otherwise re-examined in any Court of the United States, than according to the rules of the common law." There is no place where a "jury trial" is authorized in the Constitution, *ibid*. In the language "jury trial," the word-jury is an adjective modifying the noun-trial. Jury as an adjective means "makeshift." Thus, "jury trial," means a "makeshift trial." The sinister BAR-Association-Attorneys have overthrown the American form of government and the American People by covertly replacing a lawful "trial by jury" in favor of the dictatorial "makeshift trial" in order for them to systematically destroy the liberties of the American people through "Bills of Pains and penalties" and make subjects of the American people.

XVII and XVIII - The present day quasi-Judiciary places on the jury-pools of the grand and petit juries, agents working for the corporate government in order to tamper with the jury. The American People when tried whether civilly or criminally do not get a jury of their peers. The corporate government stacks the juries with "postal workers," agents of the corporation known as "Internal Revenue," police officers, people receiving welfare-payments and, therefore, sensitive to the corporate demands. Hence, through treason and conspiracy to commit treason the Accused tampers with the juries in order to overthrow the American form of government and the American People.

XIX and XX - Statutes are an abrogation of the American "common law," see Uniform Commercial Code § 1-103:6. The Unalienable Rights of the American People come from the Law. Since statutes abrogate the law, they then, in turn, extirpate the rights of the American People. The BAR-Association-Attorneys do not allow law in "their" tribunals

which they call courtrooms and, thus, have commandeered the Article III Courts of the Constitution for the United States of America in favor of their Admiralty-tribunals. Furthermore, all federal tribunals are Administrative tribunals, Article I Section 8 [9], "To constitute Tribunals inferior to the supreme Court;" under Admiralty-jurisdiction. Congress through unconstitutional means extended maritime-jurisdiction onto the land in order to overthrow the Constitution for the United States of America, "The committee also alluded to 'the great force' of 'the great constitutional question as to the power of Congress to extend maritime jurisdiction beyond the ground occupied by it at the adoption of the Constitution....'" - H.R. Rep. No. 72 31st Cong., 1st Sess. 2 (1850)." The judges, prosecutors and defense Attorneys know this but keep it a secret in order to assume absolute power and control over the American People for their [BAR-Attorneys] evil gain. Thus, the Accused has willfully and knowingly overthrown the American form of government and the American People.

XXI and XXII - Article I, Section 10 of the Constitution for the United States of America states, "No State shall ...make any Thing but gold and silver Coin a Tender in Payment of Debts..." The merchant-Attorneys and other government officials send out documents demanding \$, which is a symbol that indicates, "no-silver," from the American People. The now defunct S with two slightly separated parallel-vertical-lines at or near the center of the S means, "silver-bar." I, on the other hand, file(d) for the money of account and wrote/write, "I require the payment to be in the money of account; however, if the Accused does not have the money of account, then payment may be made in Federal Reserve-Notes; however, such payment will be 'received without prejudice.'" Thus, a reservation of rights and the "Doctrine of Estoppel" is exercised inasmuch as "Federal Reserve Notes" are promissory notes and not payment; and few, if any, have gold and silver-Coin in order to pay a debt. Furthermore, the language "Federal Reserve Notes" not hyphenated is a false conveyance of language inasmuch as the phrase "Federal Reserve" is a noun-phrase that has been converted into an adjective modifying the noun-Notes; according to English-grammar there is no such creature. When properly read, the language "Federal Reserve Notes" would be, "Federal non-existent Notes." However, "receiving" the notes "without prejudice" converts the notes into money. Through treason and conspiracy, the Congress of the United States removed our proper money, thereby conspiring to place each and every human person under the regulations of bankruptcy and covertly seize their properties. Now monies and human persons acting for the corporate State that accept these notes accept the debt attached to them; however, by receiving them I do not agree to the unlawful obligation attached thereto. Since the corporate government uses the symbol-\$ and the Constitution for the United States of America commands that only gold or silver-Coin is tender in payment of debts to the States, any "payment" demanded in the form of taxation, fines, etc. using the symbol-\$ to the corporate government could be made in wooden-nickels or grains of sand, etc. Hence, the corporate United States or State enforcing any "payment" for any alleged debt or debt in fact in other than the money of account for its coffers, as it were, is an act of treason and an overthrow of the American form of government and of the American people. The body-politic "We the People" can, on the other hand, receive "Federal Reserve Notes" or Federal Reserve-Notes "without prejudice" and protect our rights by so doing. The government controlled schools, however, do not teach the people to protect their rights but instead forcibly teach them to surrender their rights to the de facto government presently in control.

XXIII and XXIV - In order to rob the America people of their "Courts of Law" the BAR-Association established a bogus "license" to practice law. This action monopolizes

the branch of government known as the judiciary and creates a quasi-judiciary taking its place. Through this bogus licensing the BAR-Association regulates and controls any one who would enter its domain granting it absolute despotism over the system of government it conspires to overtake. Moreover, since the Attorneys say they are licensed, then they admit that they are merchants, Uniform Commercial Code § 2-104(1). This position witnesses a monopoly inasmuch as the BAR-Association enforces that one has to be licensed through its merchant-Attorney-Association in order to “practice law,” however, the truth be known, they [the BAR-Attorneys] do not function or operate within the law, only the anti-law known as statutes. The statistics support the tyranny of the BAR-Association-Attorneys in that one-out-of-every-thirty Americans are in prison, on probation or on parole presently in this country and many more have their monies and properties stolen from them by the infamous BAR-Association-Attorneys in the role of judges, prosecutors and defense-attorneys. This action places the weasels in charge of the hen-house, as it were, and is patently treasonous in a land of “free-enterprise” and liberty and justice for all. This “license to practice law” is nothing more than membership in the private corporation known as the BAR-Association and its principal “The Crown” a/k/a “The City” in London, England. The Preamble and the first Ten Amendments sandwich in the three sub-branches of government supporting that “We the People” are the collective sovereignty and the government; the proper government that is, are public servants, not public masters.

XXV and XXVI - The corporate State and corporate state have its own religion and, through treason is forcing its religion upon the children of America. The corporate state teaches the children evolution; that humans evolved from apes, and so on and so forth. There has never been evidence proving such nonsense, however, the corporate state demands that the children in their impressionable years go to the corporate government-schools and influences them unduly anent this bunk. Since the evolution-hypothesis has never been proven, which makes the hypothesis questionable at best, and, therefore, is based on a science of conjecture and belief, it is a religion. Moreover, when presented the question of “Where then did our eyes come from(?),” the evolution worshipers are at a loss for words. The corporate state then bastardized Amendment I of the Constitution for the United States of America wherein it states, “Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; ...” to abolish the free exercise of religion in favor of their, the corporate, state-religion. The purpose for this deception is to place humans in the category of the animals and, thereby, extirpate the unalienable rights through the corporate hypothesis that if we came from one-celled animals we are no different than any animal, with the exception that we are simply more advanced. Thus, we would not be stewards on this planet as “The Scriptures” point out, just advanced and sophisticated animals and our unalienable rights would be no more than privileges granted by other humans thinking they are the superiors, as in “rule by the fittest,” that meaning the most evil as pointed out so eloquently by Lord Acton wherein he stated, “Power corrupts, absolute power corrupts absolutely.”

XXVII and XXVIII – The seventh Amendment to the Constitution for the United States of America states, “In Suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by jury, shall be otherwise re-examined in any Court of the United States, than according to the rules of the common law.” The value in controversy exceeds twenty dollars however the corporate government has extirpated the right of a suit at common law and the guaranteed “trial by jury,” as exemplified in this action wherein the Accused have taken my earnings

unlawfully, have removed the guaranteed "trial by jury" in favor of a "jury trial" (makeshift trial), all while stealing my earnings and using those earnings to feed the takeover of the American People and the American way of government.

XXIX and XXX - The Fourth-Amendment to the Constitution for the United States of America states, "The right of the people to be secure in their person, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated..." In violation of the Constitution *ibid*, the corporation, known as Internal Revenue and police of the State of: e.g., Texas, search the American People's papers and effects minute by minute in this country. The agents of the false entity known as "Internal Revenue Service" and police write unlawful summonses against the American People. The "IRS" file notices of levies and liens without verification of any debt. The corporation known as Internal Revenue is a private corporation working in conjunction with the Federal Reserve, a private corporation controlled by the Vatican through the Rothschild-Bank-Cartel. The aforementioned private corporation [Internal Revenue] is protected under an auspices of authority usurped by another corporation owned by the Vatican and the Rothschild-Bank-Cartel, which corporation is known as the BAR-Association. Then, the corporation known as the Internal Revenue has its own tribunal, which it calls the "United States Tax Court." In addition, the corporate states rely on the "IRS" and serve the "IRS" anent their "State income taxes." The language "United States Tax Court" is false conveyance of language inasmuch as the phrase "United States" is a noun-phrase that has been converted into an adjective modifying the noun-Tax; the word-Tax is a noun that has been converted into an adjective modifying the noun-Court, there is no such language; therefore, when properly read it would be "United Court." Moreover, it is a common practice for the merchant federal and state "police officers" to search the American Peoples person, houses, papers and effects without lawful authorization, and their co-conspirators, the quasi-judiciary BAR-Association, support such action against the American People and the American form of government on an hourly basis in violation of Amendment IV of the Constitution for the United States of America.

XXXI and XXXII – The corporate United States and the corporate States commit Treason and conspire to commit treason against the American People and the American form of government through the crime of malicious prosecution. The facts of treason, conspiracy to commit treason, kidnapping for ransom, murder, conspiracy to commit murder, obstruction of justice, witness tampering, jury tampering, criminal fraud, conspiracy to commit fraud, mail-fraud, false conveyance of language, grand theft, and so on and so forth, have been filed and acquiesced to by the Chief Officers of the corporations aforementioned and this tribunal. In the action entitled, "UNITED STATES OF AMERICA, v. AUSTIN GARY COOPER, individually and as founder of Taking Back America; MARTHA E. COOPER, individually and as founder of Taking Back America; TAKING BACK AMERICA, an unincorporated organization," Civil Action No. 03-B-1127(PAC), the Prosecutorial staff denied not a single fact filed against them by the Coopers articulating these charges; therefore, the people of the corporate government admit their crimes but claim impunity. Instead of denying with opposing facts, the prosecutor pleaded with his coconspirator, merchant-judge Lewis T. Babcock, to order dismissed the legitimate complaint under a rule, Federal Rules of Civil Procedure 12(f), created and written by the BAR-Association to cover-up legitimate charges filed by the American People against the judiciary and other sub-branches of government. It is hereby noted that if merchant-judge Lewis T. Babcock was of proper moral and judicial character and a man of justice he would have ordered a proper grand jury empanelled for presentment for indictment against the corporations in question and the officers, agents,

brokers and intermediaries of the said corporations. **The Accused are officers and agents who have been formally charged by virtue of their voluntary position as government agents.** When merchant-Shoemaker and the merchant “United States Attorney” did not deny and qualify a denial with the law, the merchant-judge should have ordered the immediate arrest of Shoemaker and the “United States Attorney;” however, he did not. Furthermore, the judge would have ordered the Internal Revenue to cease and desist its unlawful actions against the American People. However, nothing has changed; instead “United Judge” Lewis T. Babcock continues his treason and conspiracy to commit treason in an attempt to usurp jurisdiction using the fictitious entity known as the “United Court” as his vehicle. English-grammar supports that the language “United States District Court” is false language inasmuch as the noun-States is converted into an adjective modifying the noun-District and the noun-District is converted into an adjective modifying the noun-Court. The nouns: States and District have no meaning as adjectives, therefore, they do not exist in the foregoing language.

XXXIII and XXXIV - The Fifth-Amendment to the Constitution for the United States of America states, “...nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; not shall private property be taken for public use, without just compensation.” The corporations of the BAR-Association, the United States, the Federal Reserve, the Internal Revenue and the States of: e.g., Texas seizes the American People’s-property, for private use under the auspices of authority granted under the Constitution for the United States of America, hour by hour. In reality the corporations, supra have commandeered the courts through Admiralty-jurisdiction and extirpated the Common Law; thus, the merchant-officers violated our rights and the rights of the American People as a whole aforementioned written in the Fifth-Amendment to the Constitution for the United States of America. Americans are deprived of their life, liberty and property without law, much less due process of law. Furthermore, the American People are compelled to be witnesses against themselves under the anti-law known as statutes by many organizations claiming to be legitimate government agencies (e.g., FAA, FCC, SEC, IRS, State Highway Patrol, Sheriff, City Police, etc.). These criminals are given their authority and protection from the BAR-Association, the government behind the scenes. Many, if not all, situations aforementioned were/are done while the corporate agents were/are armed and dangerous. This unlawful practice is conducted hourly by the corporate security-guards called police, or agents of policing agencies, against the American People and the American form of government, which witnesses the overthrow of the American government and the American People. “We the People” are commanded and threatened to give information to the corporate security-guards under threat of further charges and violence, which corporate security-guards are protected by the BAR-Association-Attorney’s quasi-judiciary when these cases go before them. Thus, the corporate de facto government has taken the American public’s properties without just compensation and forced the American People to be a witness against himself or herself when being charged with anti-law statutes. The People are deprived of their life, liberty and property and have now become prisoners, bankrupt [no gold and silver-coins to pay a debt], homeless [eminent domain] and debtors in their own country.

XXXV and XXXVI - The First-Amendment to the Constitution for the United States of America states, “Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.” Since the corporate state, by and through the BAR-Association-

Attorneys and their corporate security-guards known as police and agents of policing agencies, declare they own the highways then they can and do force the American People to get a document entitled "driver's license." The language-"driver's license" is a false conveyance of language inasmuch as the word-driver's is a possessive noun that has been converted into an adjective modifying the noun-license; there is no such creature. When properly read this language would be "non-existent license."

Furthermore, the "Federal Aviation Administration" (FAA) has commandeered the public transportation facilities where they require identification in the form of a "driver's license" from a corporate state in order for the American People to travel. Not only is the language-"driver's license" a felony-false conveyance of language but it also confers upon the person that status of being property of the corporate government seeking a privilege. If the corporate government chooses not to grant the permission one could and probably would be restricted from going to the assembly or church of his/her choice and from congregating with people of his/her faith in order to counter the state's-religion of evolution for their children. If the corporate government owns the highway then there would be no freedom of religion. One would have to satisfy the corporate government in order to be allowed access, which would grant the corporate government the authority to determine which religions they consider appropriate. In other words, one could and most likely would be restricted to "Internal Revenue Code 501(c)(3)" government corporate churches.

In addition, one could not petition the Government for redress of grievances if one does not have the right of locomotion and movement inasmuch as one could not, without permission from the corporate state, get to a location where they could present the petition. Just getting to a place where one could present his/her petition one would be in jeopardy of arrest and imprisonment for using the "public highways" without permission. Thus, the corporate state controls the ability of any human to petition by controlling their access to the thoroughfares. Hence, the corporate state has overthrown the Constitution for the United States of America in favor of its totalitarian form of government.

XXXVII and XXXVIII - The Sixth-Amendment to the Constitution for the United States of America states, "In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the State and district wherein the crime shall have been committed, ... and informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the Assistance of Counsel for his defence [sic]." The Sixth-Amendment *ibid*, does not have in writing any thing about either an Attorney (a merchant) or a license. The BAR-Association, serving a foreign nation, instead overthrew the Constitution for the United States of America's-Sixth Amendment in order to strip the American People of Assistance of Counsel, impartial jury, to be informed of the nature and cause of the accusation, and compulsory process for obtaining witnesses in his favor, wherein the BAR-Association-Attorneys under Admiralty-authority would not have commandeered jurisdiction. The "Royal Courts" controlled and owned by the BAR-Association have determined that one has to use an Attorney or appear *pro se* (as your own Attorney) thus, granting jurisdiction to a merchant-tribunal where no law or "rights" under law exist.

XXXIX and XL - The corporate United States and state's-witnesses, the police and other government agents, are protected from charges of perjury under the unlawful Supreme Tribunal's-case "Briscoe Et. al. v. LaHue Et. al., 460 U.S. 325 (1983). Furthermore, the police and policing agencies have become corporate security-guards working for the corporate government and no longer for the American People, and have a vested interest to

give false information as testimony. This unlawful protection has grown to encompass virtually every government officer, agent, broker or intermediary the prosecutor calls to give testimony against the American Public. Thus, the American-People's-right to face their accuser has been stripped from them so that the BAR-Association and corporate merchant-police can mature their conspiracy to overthrow the American People and the American form of government.

XLI and XLII – The American People are required to obtain a document called a “Driver’s License” before they can use their own highway, thus, making the natural person a highway-merchant. As a merchant, the natural person allegedly falls under the Uniform Commercial Code through commerce and the corporate government presumes ownership and control of the natural person. Thus, the person is annexed and unwittingly dragged into commerce wherein the corporate government usurps jurisdiction. Since the natural person is not informed of this conspiracy and criminal act in order that he/she may make a choice, and since the corporate government writes, prosecutes and enforces Common Law criminal sanctions against the people for not complying with this anti-law (statutes), the BAR-Association and corporate police not only commit the crimes of treason and conspiracy to commit treason, an overthrow of the American form of government and the American People, but also racketeering, criminal fraud, conspiracy in Bills of Pains and penalties, theft, robbery while armed and dangerous, assault and battery, false arrest, false imprisonment, and many other crimes against the American-People.

XLIII and XLIV – The Banks, operating under the authority of the Federal Reserve, a principal of the BAR-Association, are given permission to create monies out of thin air. Then interest is charged on the use of the mere electronic entries, which would present a false debt and expand into a false national debt. The Federal and state judges and their sibling-merchants in the BAR-Association, along with the other government officers, agents, brokers and intermediaries, support and encourage this Bank-Fraud against the American People. The Congress is given permission to borrow on the credit of the United States, whatever the United States is, not on the credit of the American People or the States of the Union. Thus the Legislature cabal joined by the Executive sub-branch and, since 1933, this quasi-Judiciary, succeeded into bankrupting the American People in an attempt to overthrow the American form of government and the American People. This conspiracy makes debtors of the American People to a discreet cabal headed by the Vatican, and it’s Guardian of the Vatican’s Treasury: the Rothschild-Bank-Cartel.

XLV and XLVI – The sub-branches of government known as the Legislature, Executive and Judiciary [now quasi-judiciary] willfully and knowingly side track the Law and the Rights of the American People in order to fulfill the agenda of a foreign nation and country, namely the Vatican and “The Crown” a/k/a “The City” controlled by the “Guardians of the Vatican’s Treasury,” the Rothschild-Bank-Cartel. Through criminal actions of the Attorneys, America is being taken into a one-world-government where we will have lost our collective-sovereignty of “We the People” and will become world-subjects under a political arena and force known for its cruelty and inhumanity, the Vatican. This creature murdered between fifty and sixty million people in the dark-ages, had concentration-camps in Croatia where the Serbs were tortured and many murdered heinously because they refused to join the Vatican “church” before and during “World War II” (see “The Vatican’s Holocaust” written by Avro Manhattan.), supported for election two of the most evil people in history, those being Hitler and Mussolini and has an army of Jesuits whose job it is to seize the world for the “mother church.” This is not

to say that Catholics are cognizant of the agenda of the Vatican, nor, for that matter, that many people involved with groups are necessarily cognizant of the agenda of the hierarchy of their organization or religion; however, the facts are there and acquiesced to by the Chief Officers addressed herein. With eyes wide open the BAR-Association and its filial creations such as the "FAA," "FCC," "IRS," etc. are desperately manipulating the American People into a one-world-government so that they will have the ultimate power and control for their principal. The borders of America are being methodically and systematically shattered for one-world conquest, "The world will follow after the beast."

XLVII and XLVIII – The Constitution for the United States of America, Article I, Section 8 [3] states, "The Congress shall have Power...To regulate Commerce with foreign Nations, and among the several States, and with the Indian Tribes;". The corporate government has misused this authority to seize absolute power in commerce over the nation. The intent of the founding-fathers was that the several States would be regulated against tariffs, price-gouging, taxes and other such criminal actions against the People from other States or within the same State selling their goods or attempting to sell their goods. This was not intended to regulate the American People by extirpating their rights of locomotion and movement. By requiring specific identification, that identification being a corporate government identifying card such as a "Driver's License" "Pilot's Certificate" and licensing over watercrafts, the corporate government has covertly crippled the rights of the American People. The Law, written in 11 Am Jur § 329 Constitutional Law, Personal Liberty states: "Personal liberty largely consists of the right of locomotion – to go where and when one pleases – only so far restrained as the rights of others may make it necessary for the welfare of all other citizens. The right of a citizen to travel upon the public highways and to transport his property thereon, by horse-drawn carriage, wagon, or automobile, is not a mere privilege which may be permitted or prohibited at will, but a common right which he has under his right to life, liberty, and the pursuit of happiness. Under this constitutional guaranty one may, therefore, under normal conditions, travel at his inclination along the public highways or in public places, and while conducting himself in an orderly and decent manner, neither interfering with nor disturbing another's rights, he will be protected, not only in his person, but in his safe conduct." Though this paragraph is not entirely accurate, inasmuch as it addresses the noun-citizen and not the proper noun-Citizen as written in the Constitution for the United States of America thirteen times before the infamous Amendment XIV, it still indicates a natural right of locomotion and movement by the American People. The Federal Corporation and state-Corporations are willfully and knowingly confining the American People to the will of the corporate state by attempting to control the staple right of locomotion and movement, without such right no other rights exist or can be exercised.

XLIX and L – Through prior information (a questionnaire sent to prospective jurors) the Prosecutors know the socio-economic level and status of the Grand Jurors and petit jurors they empanel, and with that information he/she impanels the Grand Jury and petit jurors which would be antagonistic to the people whose cases are brought before them for consideration. The judiciary relies on the "voter registration," a false conveyance of language, in order to comprise their lists. It is understood that the "voter's registration" witnesses that the body politic "We the People" lost our **right** to vote long ago. The requirement to register-to-vote demonstrates that voting has become a privilege one can only exercise if he/she seeks permission through a process of registration. Furthermore, in order for a natural person to register to vote the natural person has to declare him or

her-self a "United States citizen" and a resident of the state. The word-resident is used to trap the American into a jurisdiction under the corporate state and not as a free American.

To register means to get a **license** to vote. **License:** page 231, English Synonyms, Antonyms and Prepositions copyright 1896: "A permission or privilege granted by an adequate authority, a bounded liberty. In the wider sense, license is an ignoring and defiance of all that should restrain, and a reckless doing of all that individual caprice or passion may choose to do - a base and dangerous counterfeit of freedom."

LI and LII – The Prosecutor directs and controls the purported investigation of the facts by the Grand Jury in order to control the outcome and usurp jurisdiction over the accused. The Prosecutor embraces the Grand Jury, presents his/her government witnesses and cordons off the Grand Jury so that any investigation is limited to the alleged facts the Prosecutor and his/her witnesses testify to. As shown earlier, the prosecutor's-witnesses are protected from charges of perjury under the unlawful case Briscoe Et. al. v. LaHue Et. al., 460 U.S. 325 (1983). Furthermore, the Prosecutor does not inform the Grand Jury that he/she is acting as a judicial officer; officer of the court, and, therefore, the case would be a judicial self-initiating case, which is un-Constitutional. In other words, the judiciary, through the Prosecutor, could indict a hamburger. This is an overthrow of the American form of government and of the American People.

LIII and LIV – In the case "UNITED STATES OF AMERICA v. AUSTIN GARY COOPER, 89-109-Cr-Hoeveler the judge and prosecutor declared that we have dual Citizenship, those being "American Citizen" and "citizen of the United States." The prosecutor in her final argument to the jury declared that "He pays Social Security, he uses the Postal Service; therefore, Mr. Cooper is a United States citizen." He filed lawful documentation to President-George Bush, to Chief Justice William Rehnquist, to the Governor and Chief Justice of Texas, and the Commissioner of Internal Revenue proving the specified contracts to be fraudulent. No one denied the facts enumerated and articulated therein. Further, he proved that the corporate United States and the corporate States use felony-false conveyances of language to gain jurisdiction over the American People unlawfully. He (Austin Gary Cooper) was imprisoned for not paying protection monies to the corporations usurping jurisdiction. Now, this tribunal working for the corporate United States is attempting to disregard my declaration in order to usurp jurisdiction where none exist.

LV and LVI – Amendment II of the Constitution for the United States of America states, "A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear arms, shall not be infringed." The corporate United States, Federal Reserve, BAR-Association, Internal Revenue and sub-corporations known as the "States of: e.g., Texas" have written, prosecuted and enforced statutes, the abrogation of law, restricting and licensing the keeping and bearing of arms. The corporate security-guards do, however, keep and bear arms, and through their possession of arms do rob and pillage the American People. The unalienable Right to keep and bear arms was and is intended to create security and a threat to invasion from within the country or abroad. The four corporations and numerous sub-corporations have overthrown and conspired to overthrow the American form of government and the American People by willfully and knowingly and with malice aforethought prosecuting the American People for exercising their unalienable Rights such as Amendment II, *ibid*.

LVII and LVIII – The human persons of the corporate state are abducting our children under the guise of protection and the auspices of statutes, the anti-law, and engaging in

the business of selling human persons for their own gain. The gain the corporate state is receiving is to charge the "taxpayer" for taking the child and placing the child in a state-institution or under foster care. Then the state charges the parent for the care, double dipping. The business is augmented by the anti-laws wherein the parent is charged with child-abuse if he/she/they discipline(s) his/her/their child and child-neglect if he/she/they do(es) not discipline his/her/their child. The child has been annexed at birth whereat the humans of the corporate state force a contract known as a birth-certificate under the authority of the corporate state and the nefarious "Social Security Administration" requiring the child to have a "Social Security Number" which contracts are both felonies-false conveyances of language in and of their selves. In hearings the judge espouses that the child is his/hers, thus, witnessing that the child has been annexed. Further, the corporate state conditions the human People that they have to have a "marriage license" before getting married, and that a proper marriage under the law is either not recognized or frowned upon. The language-"marriage license" is defined in "Black's Law Dictionary, Fifth Edition" as, "A license or permission granted by public authority to persons who intend to intermarry usually addressed to the minister or magistrate who is to perform the ceremony, or, in general terms, to any one authorized to solemnize marriages. By statute in most jurisdictions, it is made an essential prerequisite to the lawful solemnization of the marriage." The word-intermarry is defined as "see Miscegenation." The word-miscegenation is defined as, "Mixture of races; marriage between persons of different races, as between a white person and a Negro." Liberty informs us that we have the right to marry. It is an established condition of equity and law that if someone has to seek a license that the alleged entity granting the "license" presumes the authority and parent-ownership over the licensed venture or action. Thus, the corporate state assumes ownership over any human seeking a "marriage license" as a corporate "Parens patriæ" a/k/a corporate "Surrogate parent," which standing is used to deprive a human person of liberty and freedom guaranteed under the law and in the Constitution for the United States of America. This would then perpetuate a belief and authority that any one seeking a "marriage license" would then grant ownership of the fruits of their marriage, e.g., their children, to the corporate state; hence, this is treason and a conspiracy to commit treason against the American People and the America form of government.

LIX and LX – The corporate government forces the introduction of fluoride, a dangerous nerve-poison, into the water-systems supplying water to hundreds of millions of American People. Fluoride is a severe nerve-poison, it kills nerve-cells as it proceeds to release to the next cell. Further, the intensely small negative fluoride-ion coordinates with iron and destroys hemoglobin. There are hundreds of documented studies proving that fluoride is of great harm to individual health and of no use in dentistry. Fluoride has a de-scaling action; it removes fungus spot, rust, and every other contaminant that has been collecting for decades in the pipes. It doubles the rate of corrosion in iron-pipes. The Nuremberg-court, set to try Nazi-war-criminals, executed many of the criminals for experimenting on single or multiple human-subjects without their permission. The Attorneys and other government officers, agents, brokers and intermediaries, past and present, along with our chemical industry, have been and are implementing human-experimentation in the place known as the body-politic called these United States of America minute by minute. The corporate government strives to, amongst other heinous activities, diminish the health of the American People so that the one-world-government-regime can more easily overpower the American People and force same under its tyrannical regime.

LXI and LXII – It has recently come to our attention that another way the corporate tribunals usurp jurisdiction over the American People is through the Supreme Tribunal-case entitled Davis vs. Elmira Savings, 161 U.S. 275 (1896), wherein it was declared that banks are instrumentalities of the Congress. In other words, the interstate system of banks is the private property of the corporate United States acting as King over the American People in an attempt to overthrow the American People and the American form of government. The documentation the bank presents to be signed generally has the language, “The undersigned hereby agrees to abide by all of the Rules of this Bank.” In the banks-rules it has language that contracts a natural person that he/she/they agree to abide by all of the administrative rulings of the Secretary of the Treasury, among other things, thus, attempting to create a contract between “We the People” and the banks alleged principal, the corporate United States. The Supreme Tribunal committed treason and conspired to commit treason in the case herein referenced, inasmuch as the Congress is a product of “We the People,” just as the Executive and Judicial Branches are. These are sub-branches of government, which is why the natural persons filling the positions of government are called “public servants.” This means that the banks are only instrumentalities of Congress in relation to the other two sub-branches of the sub-government, not in relation to the principal [We the People, a collective sovereignty] of the three sub-branches. Hence, for the Supreme Tribunal to take the government of “We the People” and nefariously claim that their [We the People] creation [Congress] can covertly create a sub-creation [banks], which sub-creation could and has bound “We the People” under the creation [Congress] by contract with the sub-creation [banks] and into the jurisdiction of the Executive branch under the Secretary of the Treasury is patently treasonous and criminal fraud.

36. That further, in the Criminal Complaint I charged the Accused with other crimes they voluntarily acquiesced to, to wit:

Count LXIII. Conspiracy against my rights

The Accused sent me a document entitled “Subpoena” and demanded under threat of fine or imprisonment that I appear to give testimony and provide my personal effects to surrender to them. The document does not have the language “Subpoena duces tecum” but the Accused purports to order me to produce listed documentation under threat on a fishing expedition.

Count LXIV. Willfully and knowingly making false statements and misrepresentations, “Statements or entries generally” Title 18, U.S.C.A. § 1001.

The BAR-Association, United States, State, County, City and Town have represented no one as an injured party. It has, however, represented itself as a principal. This tribunal, judge and prosecutor have represented themselves as a Court-of-Law. The judge and prosecutor are Attorneys at law. The word Attorney is taken from the words:

Attorn / v. Me. [Origin French. atoner, aturner assign, appoint, f. a-torner turn v.] 1. v.t. Turn; change, transform; deck out. 2. v.t. Turn over (goods, service, allegiance, etc.) to another; transfer, assign. 3. v.i. Transfer one’s tenancy, or (arch.) homage or allegiance, to another; formally acknowledge such transfer. Attorn tenant (to) Law formally transfer one’s tenancy (to), make legal acknowledgment of tenancy (to a new landlord). – Oxford English Dictionary 1999.

Attorn, v.i. [Latin ad and torno.] In the feudal law, to turn, or transfer homage and service from one lord to another. This is the act of feudatories, vassals or tenants, upon the alienation or the estate. – Webster's 1828 Dictionary.

Attornment, n. The act of a feudatory vassal or tenant, by which he consents, upon the alienation of an estate, to receive a new lord or superior, and transfers to him his homage and service. – Webster's 1828 Dictionary.

Attornment n. the transference of bailor status, tenancy, or (arch.) allegiance, service, etc., to another; formal acknowledgment of such transfer: lme. – Oxford English Dictionary 1999.

Thus, it is clear that an Attorney is one who **transfers or assigns, within the BAR, another's rights and property, acting on behalf of the ruling crown ("The Crown" a/k/a "The City" in London, England)**. In other words, when Attorneys call themselves officers of the court, they are correct in that they are all government agents; however, they serve a foreign government. The American people are deceived into believing that they are neutral and working on behalf of justice, not serving their BAR-Association.

Moreover, in Law (common law) the accused has the right to face his/her/their accuser to determine the relationship of responsibility and, if responsibility exist, the extent of injury. There has been no publication stating precisely who the injured party is in this cause. Hence, under the common law, UCC § 1-103:6 and Texas VTCA, Bus & C § 1.103 states that "The Code cannot be read to preclude a common law action," therefore, we demand publication of the specific name and title of the alleged injured party initiating this cause, and documentation of the alleged injury suffered by this alleged injured party.

Count LXV. Conspiracy in a Bill of Pains and Penalties and criminal fraud.

Clearly, the law supports the Right of natural-persons to be secure in their persons, houses, papers and effects when the alleged probable cause is a fishing expedition. There is no law to substantiate the alleged authority of the Accused to force us to do anything.

Counts LXVI through LXVIII.

Count LXVI. Conspiracy to commit fraud; Count LXVII. Criminal Fraud; Count LXVIII. Bills of: Attainder; Pains and Penalties

The law (common law), supra, secures our referenced unalienable Rights. Your tribunals, represented as "Courts of Law," only service statutes, ordinances, regulations, etc. As shown, statutes are not law, but the abrogation of law." An abrogation of the law would mean that the statutes are written and enforced out-side of the law by outlaws. Statutes do not secure unalienable Rights, but create civil rights/remedies. Civil rights/remedies are merely a condition of politics and are at best whimsical, abstruse, ambiguous and abstract. Further, there are over 3 million-(3,000,000) Statute and law-books in the Library of Congress and well-over 60 million-(60,000,000) statutes written therein.

Moreover, statutes are written by the BAR-Association and are both ambiguous and abstruse in construction. To attempt an understanding of this colorable law, one has to employ one of the BAR-Association's officers of the court (Attorneys at law). The judicial prerequisites for Attorneys at law on the Federal level and in most States are: to earn a baccalaureate degree from an approved university; take and pass an entrance exam to an approved law school; pass the scrutiny of the admissions officer; attend and graduate from the approved law school; take and pass the BAR-Association exam proffered and graded by law professionals; **join the BAR-Association (a private corporation)**; and,

serve an informal internship. **Mind you, after all that, most Attorneys lose more than half their cases.** Thus, the "experts" do not understand the statutes. Yet the responsibility and punishment doled out by the judiciary burdens solely the natural person and res of the public. Therefore, if it takes such education to attempt an understanding of the statutes, then it is reasonable that neither the average American Citizen nor corporate U.S. citizens could comprehend such ambiguities and complexities. These facts support that in most cases, as applied to the American public, statutes, and their filial relations, are Bills of: Attainder; and Pains and penalties supported by fraud (constructive and actual); menace; duress; and undue influence.

Logically, neither "American Citizens" nor "citizens of the United States" are informed as to the "Nature and cause of the accusations;" a prerequisite under Amendment VI, Constitution for the United States of America. These facts bear that even the majority of the officers of the court do not understand these colorable laws, yet hourly, many Americans and U.S. citizens are murdered, assaulted, imprisoned, fined, and have their property seized/ impounded/stolen through enforcement of this colorable law (statutes). Furthermore, the land of the free and home of the brave now has the largest prison, probation and parole population in the world.

Counts LXIX and LXX

Count LXIX. Racketeering through false conveyance of language; Count LXX. Bill of Pains and penalties

The Accused acting for the corporations known as the Internal Revenue, United States, State of Texas, etc. operates under the "Uniform Commercial Code § 10-103," wherein it states that any act or part of an act inconsistent with this act is hereby repealed. Thus, the rights of the American people have been repealed. This language opened the door for the corporate State, County and City to write statutes replete with false conveyances of language in order to overthrow the American form of government.

Through willful and knowing deception the BAR-Association and Rothschild Bank-Cartel [hereinafter Bank-Cartel] United States totalitarian government and the Accused have usurped all rights and powers over the American people through felonious false conveyance of language, herein listing but a few:

Adjective~Noun

Driver's License	Business Tax	District Attorney
Marriage License	Income Tax	Police Officer
Business License	Vehicle Registration	Court Clerk
Occupational License	Building Permit	Case Number
Property Tax	Attorney General	County Sheriff

Adjective~Adjective~Noun

Social Security Number	District Court Judge	Harris County Court
Municipal Court Judge	Circuit Court Judge	Texas Driver License

As the professionals, the legislative, executive and judicial branch-people, well know, these phrases begin with a noun and end with a noun in their proper sense. However, when placed together the first noun modifies the second noun, which thereby converts the first noun into an adjective. Thus, Driver, Marriage, Business, Occupational, Property, Business, Income, Vehicle, Building, Attorney, District, Police, Court, Case and County have all been relegated to the role of adjective used to modify the nouns: License, Tax,

Registration, Permit, General, Attorney, Officer, Clerk, Number and Sheriff, respectively. Additionally, the language Social, Municipal, District, Circuit, Harris and Texas become adjectives inasmuch as they modify the nouns Security, Court, County and Driver; and, Security, Court, County and Driver become adjectives inasmuch as they modify the nouns Number, Judge, Court and License, respectively.

The corporate government has placed one out of every thirty Americans in prison, on probation or parole. Large sums of funds are taken in hourly through these false conveyances of language to the destruction of the American people to feed the socialistic behemoth totalitarian government created through these usurpations of power and authority perpetrated by the BAR and its cohorts. While calling top officials of the STATE, the COUNTY, the CITY and the TOWN we have supported that the officials do not know their own statutes and ordinances, yet **they** imprison, place on probation or parole, steal the monies or murder the American people minute-by-minute.

Count LXXI. Falsification of documents.

The Accused sent me a document entitled "Subpoena" and demanded under threat of fine or imprisonment that I appear to give testimony and provide my personal effects to surrender to them. The document does not have the language "Subpoena duces tecum" but the Accused purports to order me to produce listed documentation under threat on a fishing expedition.

37. That I, at that time, served the Accused with a "Bill for the Debt, Payment Due Upon Receipt" evincing damages and supporting that the Accused owes me compensatory-damage for the crimes committed against me, Gary Lynn McDuff, of "Six million five hundred eleven thousand sixty nine dollars and fifty cents (6,511,069.50), jointly or severally, and punitive damage for the crimes committed against me, Gary Lynn McDuff, of "One million Dollars (1,000,000.00), all in the money of account, see Article I, Section 10 in the Constitution for the United States of America, which, if not tendered in the money of account, that being gold or silver-coin, but paid in "Federal Reserve Notes" or bank-draft, will be received by us without prejudice.
38. That the Accused knows there are seventy (70) types of law and thirty-four types of jurisdiction, to wit: Absolute law, Adjective law, Administrative law, **Admiralty law**, law of Arms, **Bankruptcy Act**, **Canon law**, **Case law**, Civil law, Commercial law, Common law, Conclusion of law, Constitutional law, Consuetudinary law, Conventional law, Criminal law, Customary law, Divine law, Ecclesiastical law, Edict, Enabling statute, Enacted law, **Equity law**, Federal law, **Forest law**, General law, Imperative law, Internal law, International law, Judicial decree, Judicial opinion, Law arbitrary, law of Citations, law of Evidence, law of Marque, laws of Oleron, law of the Road, Local law, Maritime law, Martial law, Mercantile law, Military law, Moral law, Municipal law, Natural law, Ordinance, Organic law, Parliamentary law, Penal law, Permanent law, Positive law, Private law, Probate, Procedural law, Prospective law, Public law, Remedial law, Retrospective law, **Revenue law**, Roman law, Special law, law of the Staple, **State law**, **Statute law**, Substantive law, Sumptuary law, Tacit law, **Tax Law**, Unwritten law, or **Written law**? Each one would require a different approach when addressing the issues. As you know or should know, the words in bold are false conveyance of language and when used by the corporate government to take property, rights or imprison a natural person it is a felony under the common law (fraud) and under the

anti-law known as statutes (Title 18 Code of the United States §1001, "Statements or entries generally,"). Neither establishing the type of "Law" used nor the jurisdiction allows you to switch from one to the other without notice which would place us on a slippery slope. Moreover, we do believe that subject-matter and personam jurisdiction would have to be determined and proven before you can threaten us. Moreover, there are other questions of jurisdiction, for instance do you claim jurisdiction of: Admiralty, American Common Law, American Equity-Law, Ancillary, Appellate, Concurrent, Contentious, Continuing, Coordinate, Criminal, Equity, Exclusive, Foreign, General, International, Legislative, Limited, Jurisdiction in personam, Jurisdiction in rem, Jurisdiction quasi in rem, Military, Original, Pendent, Plenary, Primary, Probate, Special, Subject-matter, Summary, Territorial, or Voluntary?

39. That the Accused knows that in good faith I have inquired what type of law they intend to use in this case and what jurisdiction is relied upon to attempt to gain jurisdiction and they have refused me this information in an attempt to deceive us into granting authority over us to our injury.
40. That at no time has the Accused denied, objected to, or argued the charges or the debt.
41. That the Accused refuses to autograph, have notarized and send to me the "Waiver of Perjury-Immunity" verifying in good faith that they will tell the truth and that if they do not they now can be charged with perjury if they give false testimony regarding us.
42. That nowhere in their documents do merchants-Huseman or Korotash report that either one of them addressed, challenged, disputed, or denied the facts enumerated and articulated therein. Hence, the Accused have acquiesced to the validity and substance of the facts, charges and debt supported therein.
43. That even though these fatal flaws are so obvious, merchant-Terry R. Means (hereinafter Means) issued a document entitled "ORDER CONSTRUING APPLICATION FOR ORDER TO SHOW CAUSE AS A MOTION."
44. That the use of the word-application in merchant-Korotash's *Application for Order...*, supports that there is no-contract. Therefore, since no-contract has been made between us and the fiction entity known as the "SEC", and/or this tribunal, then this tribunal would have no jurisdiction to move even if it were lawful.
45. That Ex-parte merchant-Means modified the Application (no-contract) by the commissioners, officers and agents of the fictitious entity "SEC" into something quite different than that which was allegedly filed with the clerk. Thus, merchant-Means has declared that the allegedly filed document was not proper to initiate a case, thus establishing that both merchants-Huseman and Korotash, the alleged authors of the documents, are incompetent. Further, this modification makes merchant-Means the prosecutor; therefore, he is wearing two (2) hats.

46. That merchant-Means modified the document making it a Motion in order to attempt to create a contract to support his Order of 03/17/06 which constitutes a self-initiating action of the court and makes merchant-Means the prosecutor in the case.
47. That the language in the "ORDER" is gibberish inasmuch as it is replete with words that do not exist in English-grammar. The gibberish, that being the language: "UNITED STATES DISTRICT COURT," "FORT WORTH DIVISION," "GARY LYNN MCDUFF," "EXCHANGE COMMISSION," "SEC's application," "McDuff's response," "SEC's motion" and "UNITED STATES DISTRICT JUDGE" wherein the nouns-STATES, FORT, GARY, EXCHANGE, SEC's and McDuff's have all been converted into adjectives modifying the nouns-DISTRICT, WORTH, LYNN, COMMISSION, application, response, and motion and these nouns have been converted into adjectives modifying the nouns-COURT, DIVISION, MCDUFF and JUDGE respectively. These modified nouns have no meaning as adjectives and, therefore, are gibberish. Using this tactic to attempt to trap me into granting jurisdiction is both fraud under the Common Law and a felony under Title 18, "United States Code" (another false conveyance of language) § 1001, Statements or entries generally."
48. That there is no "Seal of the Court" on the document to support that the document filed as cause number: 4:06-MC-011-Y a/k/a 4:06-mc-00011, a/k/a 4:06-mc-11, docket sheet entry # 4 on 03/17/2006 is official.
49. That the Accused failed to dispute any of my filings posted in cause number: 4:06-MC-011-Y a/k/a 4:06-mc-00011, a/k/a 4:06-mc-11, on the docket sheet as entry numbers #8, #9, #10, #11, #12, #13, #14, #15, #16, #17 and #18, and have now fully acquiesced thereto.
50. That on 04/17/2006 merchant-Means disregarded my filings and clear dispute of jurisdiction, and to my injury issued a proposed "Order" posted in cause number: 4:06-MC-011-Y a/k/a 4:06-mc-00011, a/k/a 4:06-mc-11, as docket sheet entry #20 requiring my obedience, which was an attempt to compel me into a foreign jurisdiction. I received a copy of this order reflecting a cut-and-paste, non-original, artificial signature purporting to be that of merchant-Means. The Order did not bare the "Seal of the Court," and it was not sent to me by the clerk of the court. It was sent to me by Federal Express-envelope from the offices of merchant-Huseman.
51. That I filed a Declaration of Acquiescence; and Settlement-Offer after giving the Accused a specified time to settle my undisputed tort-claim (see docket entry #21) which resulted in default by the Accused.
52. That I filed a Notice of Default, and Three Day Notice To Cure (see docket entry #22 and #23) which was allegedly Ordered to be un-filed by merchant-Means "*due to the following deficiency: Case closed April, 17 2006*", this was an attempt to deny me my rightful non-judicial tort-remedy already performed and perfected according to law.
53. That on 5/10/2006 some twenty-three (23) days after the Order dated 01/10/2006 was posted in cause number: 4:06-MC-011-Y a/k/a 4:06-mc-00011, a/k/a 4:06-mc-11, as docket entry #20 and seven (7) days after the filing and posting of my "Declaration of Acquiescence; and

Settlement-Offer" (#21 which was not un-filed) a new un-numbered docket entry appeared between docket entries #20 and #21 which was dated 04/17/2006 and reflected (See Attachment "B") as follows: ******Civil Case Terminated. (wrb,)(Entered: 04/17/2006)."** This docket entry should have been number #21, yet it has no number at all. This would appear to be further evidence of malfeasance by merchant- Karen Mitchell and Terry R. Means to deny me due process of law and payment of the perfected tort.

54. That on 04/27/2006 merchant-Huseman further injured me by attempting to persuade me into entering a foreign jurisdiction and obey a proposed Order that had already been rendered void by the actions of the officers of the court closing the case nine (9) days earlier.
55. That I filed a "Notice of Additional Tort-Action committed against Me, the Accuser, in this case" on 05/10/2006 to be entered into the record reasserting my demand and entitlement to immediate tort-payment.
56. That on 06/06/2006 the Accused SEC and Clerk inflicted further injury on me by having its agent-Merchants-Micahel J. Quilling, D.Deer Raibourn, Brent J. Rodine and Quilling Selander Cummiskey & Lownds, P.C. file a civil action against a recognized fiction identified as "GARY McDUFF, individually and d/b/a SOUTHERN TRUST COMPANY and FIRST GLOBAL FOUNDATION, and SHANNON McDUFF, Individually and d/b/a SECURED CLEARING CORP.," which was handed to me, Gary Lynn McDuff, a natural person, by a process server who asked me to sign for the delivery which I declined to do saying that there was no such person by the name reflected on the "SUMMONS IN A CIVIL CASE" and "COMPLAINT" living here and I certainly was not that person.
57. That I told him that the person reflected on the "SUMMONS IN A CIVIL CASE" and "COMPLAINT" as SHANNON McDUFF did not live here either. He left no papers for her.
58. That not only is the "SUMMONS IN A CIVIL CASE" and "COMPLAINT" written in gibberish but merchant-agent-Quilling, Et al., is conspiratorially trying to trap us into appearing as surety for the fiction entities in the "SUMMONS IN A CIVIL CASE" and "COMPLAINT" to my injury.
59. That agent-merchant-Quilling, Et al., solicited and accomplished a conspiracy by sending Amegy Bank of Texas a letter with attached denied "Order" requesting them to freeze two (2) accounts of me, Shannon McDuff, claiming that the funds in those accounts were from Megafund related proceeds. This is fraud, deception and theft resulting in personal injury to me (Shannon McDuff). Amegy Bank was falsely told that \$101,500.00 dollars of Megafund related funds were sent to these accounts. There is no proof of this, and even the "COMPLAINT" itself shows a claim of only \$15,500.00 that they suggest went to my (Shannon McDuff) Amegy Bank-account. Common sense tells us this is unbridled abuse of authority and can not be protected by colorable law, or actual law.
60. That unlawfully Amegy Bank of Texas did willfully and knowingly act in concert with merchant-Quilling, Et al., to seize my (Shannon McDuff) funds in the amount of Seven

thousand five hundred three Dollars and forty-seven Cents (7,503.47) and did unlawfully create a deficit of Ninety four thousand thirty-one Dollars and fifty-three Cents (94,031.53).

61. That unlawfully Amegy Bank of Texas did willfully and knowingly act in concert with merchant-Quilling, Et al., to seize the funds of Madison's Avenue in the amount of Eight thousand eighty-one Dollars and forty-one Cents (8,081.41) and did unlawfully create a deficit of Ninety three thousand four hundred fifty-three Dollars and fifty-nine Cents (93,453.59).
62. That agent-merchants-Quilling and Huseman, Et al., have entered into a criminal conspiracy with Sean Shiff, Skolnick & Associates, P.A., Steve Renner, Cash Cards International, LLC and others to confiscate and disclose our personal financial records contrary to applicable privacy and due process laws. Together they conspired to freeze "Cash Cards V-Cash accounts" which were managed for third parties by us. This was done prior to their receipt of a document entitled Emergency Freeze Order they applied for on 05/17/2006, and which was denied on 05/18/2006, yet they proceeded as though it had been granted. Even if the order had been granted the injury was already inflicted when the accounts were frozen on 05/15/2006 absent any valid order to do so. I have email evidence written by Accused-Brent J. Rodine where he gives his assurance that the order would be granted by the court. It was denied.
63. That I served Cash Cards International, LLC, its Officers, agents, Et al., on 04/26/2006 with a Formal, Constructive and Public Notice that I had filed a "complaint" against the SEC and its Commissioners, officers and agents, and that I had already prevailed against them, and therefore they were collaterally estopped from releasing any information relating to me, and that if they chose to disregard this notice and release the information anyway, it would establish a clear and indefensible Tort. Documents clearly show that on 05/15/2006 (almost thirty (30) days after the SEC-case against me was closed by merchant-Judge-Means) Steve Renner, Sean Shiff, and Cash Cards International, LLC disregarded this notice, joined the conspiracy to cause us injury and they themselves became acting agents for the SEC and subject to the same claims I have perfected against the other Accused. In a conspiracy it does not matter if the actors were involved from the beginning, or if they performed only the final act, all are equally culpable participants.
64. That on 06/15/2006 a Federal Express package was delivered to our home from the SEC offices located at 801 Cherry Street, Fort Worth-Texas (not from the clerk of the court) reflecting a date-stamp purporting to be by the "CLERK OF COURT", U.S. DISTRICT COURT NORTHERN DIST. OF TX. FT WORTH DIVISION, however, once again, there is no "Seal of the Court," on the document, and it is not certified as a true copy by the clerk of the court. Regardless of it being, or not being, an actual filing properly certified with the Seal of the Court, it bares the same MISC. cause-number or file-number 4:06-MC-011-Y (a/k/a 4:06-mc-00011, a/k/a 4:06-mc-11), used by the SEC, et al, in all their abovementioned applications, memorandums, declarations, motions, etc. which were all rendered moot by the acquiescence of my documentation.
65. That this action constitutes a continued threat of our liberty.

66. That there is nothing supporting what jurisdiction or superior law to the Common Law that is being relied upon to initiate this case. That For the Record: on 31/01/2006 I, Gary Lynn McDuff, Sui Juris, in propria persona (my natural person), disputed jurisdiction of the corporation known as the United States of America, the Securities and Exchange Commission, its Commissioners, and Agents, et al.
67. That in further support, we attach copies (see Attachment "A") of our "Declaration of Expatriation/Repatriation" and our Notice of Non-Juristic Status ...so there would be no doubt whatsoever that we had formally, and according to law, denounced any contract with the corporate United States and any citizenship benefits thereof, and reclaimed, In Toto, our natural citizenship to the Republic of the several States and our unalienable right as an *American Citizen* to be subject only to the Constitutional Law and the law of the land, the *Common Law* and its remedies pursuant to the *Constitution for the United States of America*. Our expatriation/repatriation, done in accordance with the law, resulted in acquiesced affirmation by, the United States-President, the Chief Justice of the U.S. Supreme Court, the Chief Justice of the State of Texas Supreme Court, the Governor of the State of Texas, Board of Governors of the Federal Reserve System, and the Commissioner of Internal Revenue, without any objection or dispute.
68. That even after being provided with undisputed facts of our Non-Juristic Status, the Accused continues to willfully and unlawfully trespass into our declared jurisdiction and inflict criminal injury in defiance of the Common Law, which is the supreme law and the governing or controlling law in the instant matter as it relates to our natural persons.
69. That the SEC has slandered us on their web-site without producing evidence to support that we are required to grant jurisdiction over us to them. Each of the Accused individually and collectively is liable for any injury against us.
70. That evidence supports that we cannot get a proper judicial hearing in this case and, therefore, have been forced to proceed non-judicially.
71. That I restate herein that we are not the "person, citizen or resident" described or identified in any of the presentments in this matter, the matter of Account-Number FW-2975, or any other disclosed or undisclosed matter in which the Accused has named us using a fictitious status. We, each one of us, are only the person named and identified in the natural person and status in our filings, autographed by each of us in our hand under Seal of a Notary Public. Neither of us volunteer to any other jurisdiction or status except those explicit ones we have claimed as a matter of right.

Avouchment

We hereby avow that based upon our first hand-knowledge, this Affidavit is true, accurate and correct to the best of our knowledge, information and belief.
