I, MARK D. NORCROSS, do hereby declare:

1. I am an attorney at law, admitted in the State of California and in the Eastern District of California. I make this declaration upon personal knowledge, and if called as a witness I could competently testify to the following:

2. Kenny, Snowden & Norine is a small, six-attorney law firm in Northern California. I am the only attorney in this office who is responsible for any of the matters involving these defendants, and am counsel of record in three other actions involving the same issues. medical testing in San Francisco for a chronic medical condition. Because of the nature of this testing, all of it must occur within a three-day period. Further, because of the number of physicians involved in this testing, once set, the appointment is "set in stone." Hence, I am not available on September 21, 2007 for the hearing as currently scheduled by the Court.

4. Because I am the sole attorney responsible for this matter, and because of the complexity of the issues presented, I request a brief continuance of the hearing to the next date available to the Court.

I declare under penalty of perjury that the foregoing is true and correct.

Respectfully submitted, this 28th day of August, 2007.
